INTRODUCTION TO DEWAL INFRASTRUCTURE AND DEVELOPERS (FORMERLY SHREE SETH SANWARIYA CONSTRUCTION)

In the realm of construction and infrastructure development, the journey of Dewal Infrastructure and Developers has been one of transformation and growth. Originally established as Shree Seth Sanwariya Construction, a proprietorship firm rooted in the heart of Rajasthan, this dynamic company has evolved into a robust private limited entity that now operates under the name Dewal Infrastructure and Developers. This transformation marks a significant milestone in its commitment to excellence and innovation in the construction industry.

OUR ROOTS

Shree Seth Sanwariya Construction was founded in the thriving city of Abu Road, District Sirohi, Rajasthan, with its headquarters located at 302, Shivaji Colony, Gandhinagar. Over the years, the company earned a reputation for its dedication to quality, reliability, and unwavering commitment to customer satisfaction.

THE TRANSITION

In January 2023, Shree Seth Sanwariya Construction transitioned into Dewal Infrastructure and Developers, a private limited company headquartered at 434, Green Aristo Plaza, Jahangirpura, Surat, Gujarat. This transformation was a testament to the company's ambitious vision, broadening its horizons and expanding its reach beyond its initial roots in Rajasthan.

OUR PRESENT

Today, Dewal Infrastructure and Developers stands as a formidable force in the construction and infrastructure sectors, with a pan-India presence. Our expertise spans both civil and mechanical infrastructure projects, allowing us to offer a diverse array of services to meet the evolving needs of our clients.

CIVIL EXPERTISE

In the realm of civil infrastructure, we specialize in crafting bridges, roads, corporate building structures, and a myriad of other construction marvels. Our commitment to precision, durability, and innovation sets us apart, ensuring that each project we undertake is a testament to our dedication to excellence.

MECHANICAL PROWESS

On the mechanical front, we excel in the fabrication, erection, and installation of various operating platforms, sophisticated and rotary equipment, vessels, offshore projects, structures, piping, and more. Our mechanical endeavors are marked by precision engineering and a commitment to delivering cutting-edge solutions.

OUR VISION

At Dewal Infrastructure and Developers, our vision is to be a leader in the construction and infrastructure development sectors, offering unparalleled quality, innovation, and reliability in every project we undertake. With a nationwide footprint and a diverse portfolio of projects, we are poised to play a pivotal role in shaping the future of India's infrastructure landscape.

As we continue to evolve and grow, our dedication to our clients, our people, and our commitment to excellence remains unwavering. Dewal Infrastructure and Developers invite you to join us on this exciting journey as we build a brighter, more robust future for India's infrastructure needs.

Introduction

JOB STATUTORY

Dewal Infrastructure and Developers offers a comprehensive range of construction and infrastructure services, catering to diverse needs:

PIPING EXCELLENCE

We specialize in fabrication, erection, testing, and mechanical completion, including maintenance and chemical cleaning, for a wide range of piping materials and sizes, serving both process and utility purposes.

EQUIPMENT MASTERY

Our expertise extends to the precise erection and alignment of rotary and static equipment, seamlessly integrated with interconnected piping systems.

UNDERGROUND PIPING

We provide fabrication and erection services for underground piping, ensuring cathodic protection and wrapping coating for longevity and durability.

SHUTDOWN EXPERTISE

Our very well skilled teams handle process line shutdowns, ranging from 2" to 42" diameter pipes, with meticulous attention to detail, including 100% radiography and stress relieving of all field joints.

SURFACE TREATMENT

We offer sandblasting and grid blasting services, followed by painting of pipes, fabricated structures, and MS tanks, maintaining comprehensive compliance records.

CROSSOVER PLATFORMS:

We specialize in the fabrication and erection of crossover platforms within process plants, complete with hand railings and stairs for safety and accessibility.

STRUCTURAL WORKS

Our capabilities encompass the fabrication and erection of various MS structural elements, including gantry girders, crane girders, conveyance systems, trusses, heavy columns, and beams, supporting various industrial plants.

OFFSHORE EXCELLENCE:

Our experience extends to offshore projects, including the construction of decks, jackates, boat landings, and more.

HEAVY CIVIL EXPERTISE

we are seasoned leaders in executing intricate heavy civil projects. This includes bridge, highway, dam, and tunnel construction, consistently prioritizing quality, safety, and precision in every endeavor.

VESSELS AND EQUIPMENT

We excel in the fabrication of vessels and equipment, adhering to stringent quality standards.

Dewal Infrastructure and Developers are committed to delivering excellence, compliance, and versatility across a spectrum of construction and infrastructure projects, ensuring that your unique needs are met with precision and expertise.

QUALITY & SAFETY POLICY

At Dewal Infrastructure and Developers, we are unwavering in our commitment to delivering superior quality and ensuring the safety of our employees, partners, clients, and the environment in all our construction and infrastructure endeavors.

QUALITY COMMITMENT

-  **Customer-Centric Excellence**
-  **Skilled Workforce**
-  **Quality Assurance**
-  **Continuous Improvement**

SAFETY COMMITMENT

-  **Zero Harm**
-  **Safety Training**
-  **Safety Compliance**
-  **Hazard Identification**

ENVIRONMENTAL RESPONSIBILITY

-  **Energy Efficiency**
-  **Biodiversity Conservation**
-  **Water Management**
-  **Carbon Neutrality**

ETHICAL CONDUCT

-  **Integrity**
-  **Respect**
-  **Accountability**
-  **Data Privacy**

The management and employees of Dewal Infrastructure and Developers are dedicated to upholding this Quality & Safety Policy. We view it as a continuous journey towards excellence, and we actively seek feedback from all stakeholders to ensure we continually improve our practices. Our commitment to quality, safety, and environmental responsibility is a fundamental part of our identity, and we pledge to live up to this commitment in all that we do.

OUR GOALS

To be the foremost leader in the construction and infrastructure industry, setting the standard for excellence, innovation, and sustainability, while creating enduring value for our clients, employees, and communities.

QUALITY EXCELLENCE

Goal - To consistently deliver projects that exceed industry standards for quality and precision.

Strategy - We will achieve this goal by fostering a culture of quality throughout our organization, embracing the latest technological advancements, and continuously improving our processes and practices.

EXPERT TEAM BUILDING

Goal - To assemble a team of experts in their respective fields, dedicated to excellence and innovation.

Strategy - We will achieve this goal by investing in employee development, attracting top talent, and providing opportunities for continuous learning and growth.

QUALITY OF LIFE FOR OUR WORK FORCE

Goal - To provide a high quality of life for our employees, fostering a safe, inclusive, and supportive workplace.

Strategy - We will prioritize employee well-being by ensuring a safe working environment, promoting work-life balance, offering competitive compensation, and encouraging career advancement opportunities.

SUSTAINABILITY AND INNOVATION

Goal - To provide a high quality of life for our employees, fostering a safe, inclusive, and supportive workplace.

Strategy - We will invest in research and development, explore eco-friendly construction techniques, and integrate sustainable materials and practices into our projects.

CLIENT SATISFACTION AND TRUST

Goal - To earn and maintain the trust of our clients by consistently delivering projects on time, within budget, and to their complete satisfaction.

Strategy - We will prioritize open communication, transparent project management, and a client-centric approach to ensure every project aligns with our clients' goals and vision.

CONTINUOUS IMPROVEMENT

Goal - To embrace a culture of continuous improvement, learning from both successes and challenges.

Strategy - We will establish a feedback-driven culture that encourages employees to share insights, identify opportunities for growth, and implement changes for the betterment of our organization.

COMMUNITY ENGAGEMENT

Goal - To be a responsible corporate citizen, actively engaging with and giving back to the communities where we operate.

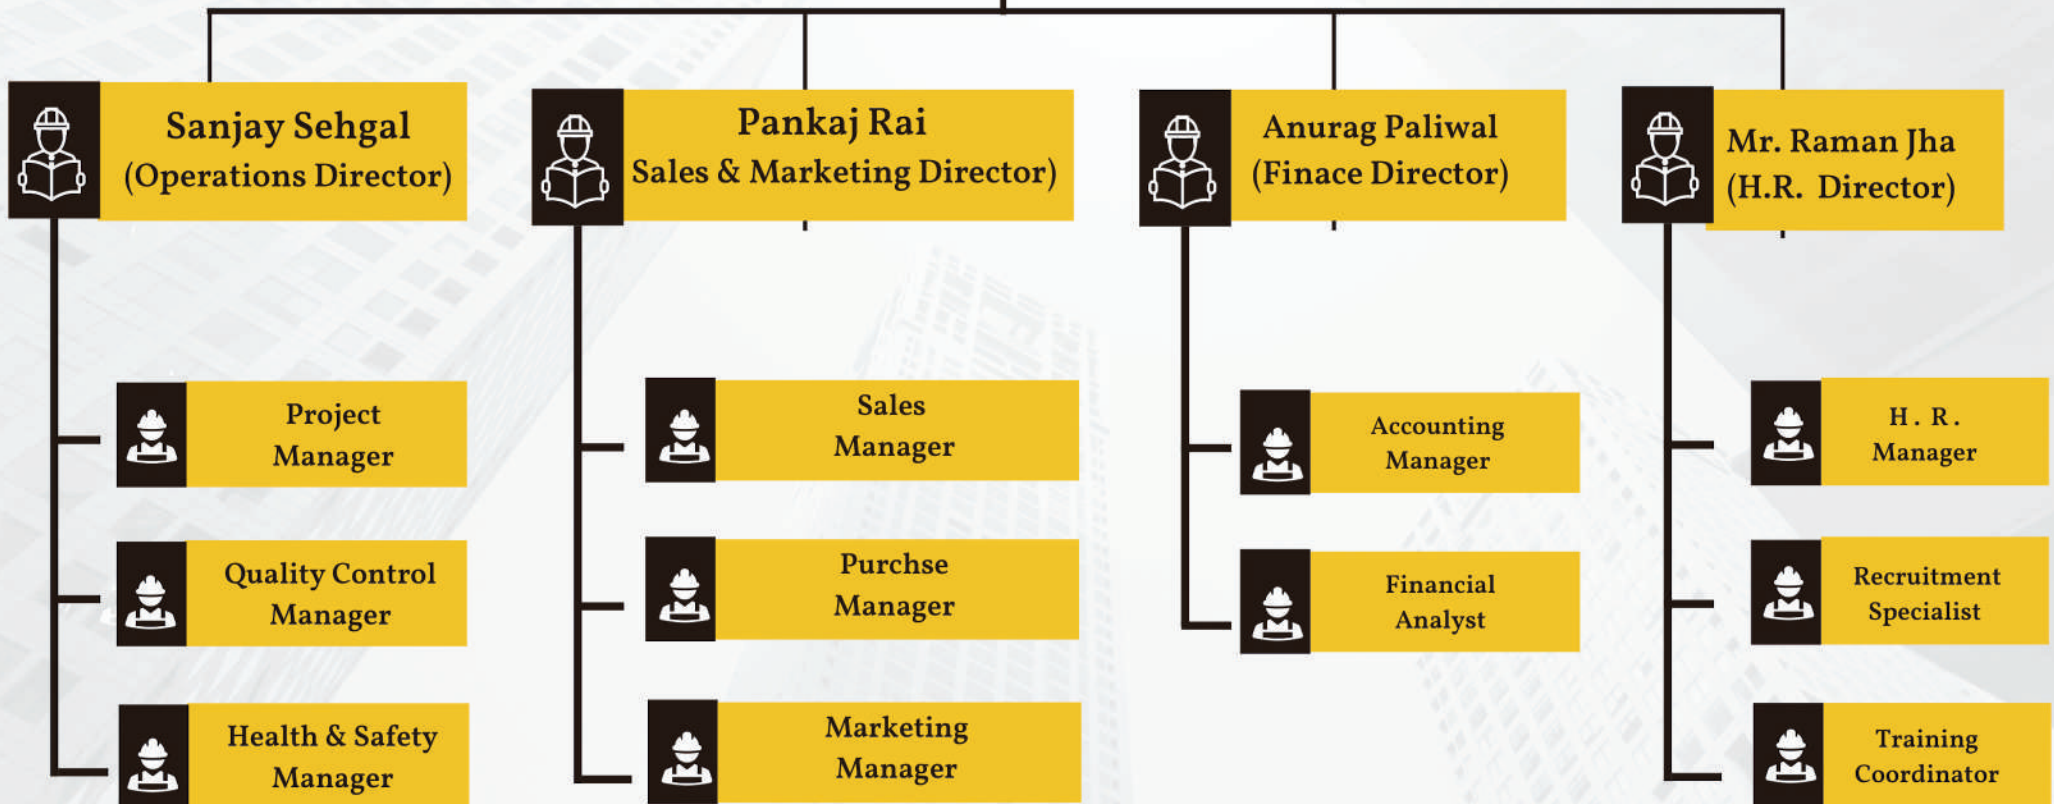

Strategy - We will initiate community outreach programs, support local causes, and strive to minimize our environmental impact to contribute positively to the communities we serve.

At Dewal Infrastructure and Developers, Our Goals are not just aspirations but a commitment to excellence, innovation, sustainability, and the well-being of our workforce and communities. We are dedicated to relentlessly pursuing these objectives to make our goals a reality and continue to be a trusted industry leader.
